

Photography Services

Life With Horses Photography would love to come and take some pictures for you! I specialize in horses, dogs and other pet photography and can also produce portraits and other photographs that you may require. Simply contact me with your requirements and we would be happy to discuss them with you. Please note that photos are for non-commercial use only (unless otherwise authorized).

Farm/Pet Shoots

Taking pictures of animals is my true passion. From solemnly sleeping dogs to rambunctious active foals, there is nothing like the expression that can come through in pictures of our pets.

I also love to take **pictures of horses and their owners/riders** in a relaxed atmosphere. Our candid and posed shots of horses with the humans who love them are a favourite of our clients and friends.

1 Hour Session: \$150

Includes 1 hour of photographing time (includes set up and consultation) of 1 pet or pet/owner combination (add \$50 for each additional pet); 10 low resolution images for your private library; and 1 – 8×10 unframed print.

1/2 Day Session: \$300

Includes 3 hours of photographing time (includes set up and consultation) of 1 pet or pet/owner combination (add \$50 for each additional pet); 20 low resolution images for your private library; and 1 – 8×10 and 2 – 5×7 unframed prints.

Full Day Sessions as well as Group Days are available. Contact me for pricing and to discuss your needs.

Horse Shows

I attend a lot of local horse shows and take pictures of our own riders but I'd be happy to take some shots of your performance horses and riders too. Whether it is Hunter, Jumper, Dressage or Western Disciplines, I can come and take some pictures for you.

Pricing is \$100 per hour. Keep in mind that the more classes I have a chance to photograph your horse/rider, the more shots you will be able to choose from.

Price includes up to 20 low resolution images per hour for your private library and 2 – 8x10 unframed prints.

(Note: I attend the Caledon Equestrian Park during most Hunter/Jumper A Circuit shows and most of the Angelstone shows.)

If you are a horse show organizer and need a photographer for your show, just let us know. I will come out for FREE and take as many pictures as I can and then offer them for sale to your participants. (Note: I will travel within an hour of Orangeville for free. If your show is further than 1 hour, travel expenses will apply.)

Contact me for pricing and to discuss your needs.

Horse Sale & Passport Shots

Do you need shots of your horse in order to put he/she up for sale or need a passport shot? I can help! I can visit your facility and take some 'at leisure' and posing shots. I can also visit you at shows and take some actions shots.

Packages will include a number of print and web quality images which you can use in your sales piece.

Video recording also available.
